50 Oliver Street, Suite 215; N. Easton, MA 02356 Tel: 508-230-8756 Fax: 888-405-8433 Web: www.ACT-CPA.com

We are pleased to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide regarding the preparation of your income tax returns.

We will prepare your 2021 federal and state income tax returns from information which you furnish to us. We will not audit or otherwise verify the data you submit, although we may ask for clarification of some of the information. Upon request, we can furnish you with questionnaires, worksheets or booklets to guide you in gathering the required information for us. It is your responsibility to provide all the information required for the preparation of complete and accurate returns. **You have the final responsibility for your income tax returns therefore you should review them carefully before you sign them.**

All returns filed are subject to review by taxing authorities. In the event of such government tax examinations, we will be available to represent or assist you, upon your request. Our firm is responsible only for the tax returns that it has prepared. The fee does not include responding to the IRS or state inquiries or tax estimates for the following year. Our firm is not responsible for IRS (or state) disallowance of doubtful deductions or deductions unsupported by adequate documentation and the resulting taxes, penalties, and interest.

Our fee for these services will be based on our office hourly rates. **An estimated retainer payment for services is due when you submit your information to our office or the work will not be started.** Billing rates in our office are between \$80 to \$300 per hour depending on services and expertise provided. Any unpaid invoice which remains unpaid for more than thirty days will follow our collection policy. We reserve the right to suspend work in the event that invoices for previous services including interim bills for current services are unpaid.

The timeliness of your cooperation is essential to our ability to complete this engagement. Specifically, we must receive sufficient information from which to prepare your returns within a reasonable period of time prior to the applicable filing deadline. **Accordingly, if we do not receive this information from you, as noted above, by March 11, 2022, it may be necessary to pursue extensions of the due date of your returns, and we reserve the right to suspend our services or withdraw from this engagement.** Various penalties and interest are imposed when taxpayers fail to pay the full amount of taxes owed by the filing due date. Furthermore, additional penalties and interest are imposed when taxpayers fail to remit the proper amount of subsequent year tax estimates. Based on information you have provided to us, we can assist you in determining the correct amount of taxes owed for the current year and subsequent year tax estimates. You acknowledge that any such penalties and interest that arise due to the underestimation of current year taxes owed or subsequent year tax estimates remitted are your responsibility, and that we have no responsibility in that regard. If you would like information on the amounts or the circumstances of these penalties and interest, please contact us.

We may encounter instances where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. In those instances, we will outline in a written communication each of the reasonable alternative courses of action, including the risks and consequences of each such alternative. In the end, we will adopt, on your behalf, the alternative that you select after having considered the information provided by us. Pursuant to standards prescribed in IRS Circular 230 and IRC 6694, we are forbidden from signing a tax return unless we have a reasonable belief that there is substantial authority for a tax position taken on the return, or unless we have a reasonable belief that there is a reasonable basis for the tax position taken on the return and we disclose this tax position on a separate attachment to the tax return. Substantial authority is generally viewed by tax professionals as requiring at least a 40% probability that the tax position taken will be sustained on its merits. However, under no circumstances may we sign a tax return with a tax position that has no reasonable basis.

If a dispute arises out of or relates to this contract or engagement letter, or the obligations of the parties therein, and if the dispute cannot be settled through negotiation, the parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Rules before resorting to arbitration, litigation, or some other dispute resolution procedure.

We take our responsibility to protect the privacy and confidentiality of customer information very seriously. We will not provide financial information to anyone about you with the following exceptions: Federal & State Taxing Authorities and your spouse (unless notified).
